

London Moving

We are investigating ...

Draw a diagram of your experiment. Can you label the equipment you plan to use?

Method – how will you carry out your experiment?

.....

.....

.....

.....

.....

.....

.....

How will you make sure this is a fair test?

Prediction.
This is a sensible guess! What do you think your results will be?

Results Table

Watch [this video](https://www.youtube.com/watch?v=2Ydx8xYDM4M) showing how magnets can be used in Maglev trains (*2min 18sec*).
